August 3, 2005

Dear Sir:

Pursuant to M.P.E.P. §609 and 37 C.F.R. §§1.56, 1.97-1.99, applicant submits herewith an information disclosure citation which lists references cited during the prosecution of corresponding foreign applications. A copy of the reference is enclosed.

This submission does not represent that a search has been made or that no better art exists. While the term "references" is used in citing the publications called to the examiner's attention herein, applicants do not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

I hereby certify that this correspondence and/or fee is being deposited with the United States Postal Service as "first class mail" in an envelope addressed to "Commissioner for Patents, P.O. Box 1450, Alexandria, VA. 22313-1450" on August 3, 2005.

Applicant reserves the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.

Applicant also reserves the right to present appropriate arguments and/or evidence to establish patentability over the references, should one or more of the references be applied against the claims of the present application.

Applicant respectfully requests that the examiner independently determine those items which the examiner would consider the most pertinent of all the references cited herein.

This Information Disclosure Statement is being filed together with the appropriate fee under 37 C.F.R. 1.17(p). In the event that any other fees are required, the Director is hereby authorized to charge any requisite fee to Deposit Account No. 500518.

Applicant respectfully requests that the reference be considered and made of record.

Respectfully submitted,

STEINBERG & RASKIN, P.C.
